

Managed Long Term Care Implementation Workgroup
Meeting Summary 1.26.12

Email Address for Questions: mltcapps@health.state.ny.us

Items discussed and follow up:

- Consumer Satisfaction and Quality Data:
 - Current description of Quality Measures will be provided (attached).
 - Consumer survey to adjust to capture MLTC enrollment impact on quality of life will be made available by website.
(http://www.health.ny.gov/health_care/managed_care/mltc/pdf/mltc_plan_member_satisfaction_survey.pdf)
- Education:
 - Maximus will present at a future (2/9/12) meeting.
- Rates:
 - Rate overview and risk corridor concept will be presented at 2/9/12 meeting (presentation attached).
- Effective Date of Mandatory:
 - Implementation is subject to CMS approval. A revised implementation schedule will be issued.
- Transition Plans for Personal Care in NYC:
 - 2000 participants target to begin. DOH, HRA and Maximus are working to identify exact scope of new users.
- Education Materials and Noticing:
 - Need to be tailored to this population.
 - Expectation for Maximus to facilitate information and plan selection. Commitment made to share draft materials for receiving feedback when available.
- Home Attendant Vendors:
 - DOH reviewing requirement for MLTCs to contract with all Home Attendant Vendors to facilitate the transition. Policy to be released out shortly.
- LTHHCP:
 - Q & A document on LTHHCPs to be released shortly.
 - RFA for CHHA expansion/development was posted to DOH Web (1/25/12).

- CDPAP:
 - A separate group has met on incorporation of CDPAP into both mainstream and long term managed care.
- NCQA accreditation of plans / monitoring of plans:
 - Currently NCQA does not accredit MLTC.
 - Process in place for monitoring will be described, to include plans to monitor capacity during the mandatory (2/16/12 meeting).

Next meeting February 9, 2012

**Tentative Agenda Items:
Maximus Presentation**
